Due to the sanitary evolution related to COVID-19, the study plans may be adapted during the semester as follows:

- alternative or time-shifted modalities for teachings, internships, practical work, fieldworks and camps that could not take place or teachings that could no longer take place in the form initially planned.
- adaptation of evaluation modalities, without inducing derogations from the Study Regulations (oral <-> written, exam ... work <-> group work, practical work <-> theoretical work, face-to-face evaluation <-> online evaluation, etc.).
- possibility to switch from one mode of teaching to another (face-to-face <-> distance, synchronous <-> asynchronous, switch to co-modal teaching where it was not initially planned)
