

# Grants «Pro-Femmes»

## Reports

### 3 reports are required

1. **After 4 months:** a brief report to ensure that the project takes off with a good start according to the template below:

(2 pages maximum, font size  $\geq 9$ )

- Did the project start as was foreseen? If not, why?
- Did you encounter any administrative or other problems? If yes, have they been solved?
- The time and resources dedicated to research activities are the same as in the original project description?
- Is the general project plan going as expected?
- What are the first advances in the research project that have been observed?
- Your comments and general evaluation of this first period of the grant

2. **After 12 months:** An intermediary scientific and financial report

3. **After 24 months:** A final report
