Online application procedure for the Summer Undergraduate Research (SUR) Programme 2022

Dear SUR applicants,

To be able to connect to the online application system, you must have a SWITCH edu-ID account.

If you don't have a SWITCH edu-ID account yet, please create your account via the [SWITCH edu-ID](#) site. You will find the procedure step by step [in this link](#), under letter C.

Once you have created your SWITCH edu-ID account, you can connect to the online application system via this link <https://courses.unil.ch/cours/fbm>.

Please note that depending on the web browser you are using, accessing or viewing this page may cause problems. Firefox, Edge, Chrome are then recommended.

Title	Summer Undergraduate Research (SUR) Programme 2022
Description	<p>The SUR Programme 2022 hosts about 15 undergraduate students from all around the world, studying towards a biology or medicine degree, to pursue an independent lab-based research project. Weekly workshops on presentation skills and career guidance are organised, as well as social activities. At the end of the summer, students present the results of their research on a poster during a symposium and prepare a written report. A scholarship is awarded to all selected participants.</p> <p>The application must be complete, INCLUDING Recommendation letters by January 31st, 2022, midnight CET. INCOMPLETE OR LATE APPLICATIONS CANNOT BE CONSIDERED.</p> <p>Please answer the questions and upload your CV in a PDF format. The CV should not exceed one single page and should include:</p> <ul style="list-style-type: none">• A list, starting with the most recent, of the most relevant THREE academic prizes/fellowships that you have received (max. 100 words).• A list, starting with the most recent, of the most important THREE occupations, other than as a student, in which you have engaged to any considerable extent, giving names and location of employers and dates of employment (e.g., military service or volunteer work experience) (max. 100 words)• Any other relevant information about yourself (hobbies, skills, interests, etc) (max. 100 words).• Personal statement Please give your reasons for wishing to participate in the UNIL SUR Programme (e.g., your academic background, scientific interests, long-term professional goals, any previous research experience and what you hope to accomplish by attending the SUR Programme (max. 400 words). <p>Transcripts Please upload a copy of your official transcripts of record (JPG or PDF format) and/or an authenticated translation of documents not issued in French or English.</p> <p>Recommendation letters In addition to the online application, you must arrange for two recommendation letters to be submitted by people familiar with your academic work (e.g., professors). During the application, you will be asked to indicate the contact details of your referee. An automatic email will be sent to them asking to fill out the letter template available on our website.</p> <p>Host laboratories You will find on our website the potential host laboratories in the UNIL Faculty of Biology and Medicine. In your application, we ask that you select three specific lab head names.</p>
Schedule	04 July 2022 08:30 12:00
Number of half days	1
Location	In-room
Language	English
Instructors	John Pannell

Click here once you are ready to submit!

Once you have registered, you will receive this automatic message from the online application system.
(Please ignore the second sentence "Note that the course can be canceled if the minimum number of participants is not reached" which is not applicable for this course).

Note that you cannot modify your application once it has been submitted. In case of any correction needed you must first cancel it and then fill out a new one by simply returning to the home page.

The results will be communicated in early March 2022.

Thank you for your application.
